# Refreshments

## TEA

The finest leaf teas from W. Martyn's of Muswell Hill. Freshly brewed and served in individual teapots with milk or a slice of lemon.

£1.<sup>75</sup>

### ENGLISH BREAKFAST

A full bodied blend of quality high grown teas from India and Ceylon. A rich flavoured liquor which can be enjoyed particularly in the morning.

### EARL GREY

A blended dark leaf tea. Originally blended in China and brought to England in 1830 by the Second Earl Grey. The tea is delicately scented with oil of bergamot and served with or without milk at any time.

### DARJEELING

This is a large leaf tea from the foothills of the Himalayan Mountains. A tea with a delicate muscatel flavour considered to be the finest of Indian teas.

### ASSAM

A strong Indian tea, noted for its full-bodied flavour.

### LAPSANG SOUCHONG

A large black leaf tea which has a rich, syrupy liquor and pleasantly 'smoky' flavour making the perfect compliment to oriental cuisine. Served without milk.

### JASMINE GREEN TEA

A choice tea, delicately scented with exotic jasmine blossom, producing a fragrant pale liquor and subtle flavour.

### ROOBIBOS

Produced from a South African shrub, this tea has a refreshing taste. Caffeine free.

### LEMON & GINGER

A China black tea flavoured with natural oils, peel and leaves.
